Reseller Subscription for one Territory

This is intended for value added resellers who sell licences supplied with services, training, hardware or as part of an overall solution.

Under this option you pay a flat monthly fee to have a subscription to supply our software to an unlimited number of your customers in a fixed territory for that time period. The license that you supply to your clients is for the life of the version of software you supply them with. If we update the software it is your choice as a reseller to charge an extra fee to your clients to upgrade to the newer version. Your ability to create licenses will not be affected by our upgrades. Enterprise and Site licenses are not covered by this contract.

License Fees:

DETAILS	MONTH	TOTAL	Discount	DISC.	COST (USD)
Standard Set Up Fee					\$185.00
3 Months (minimum)	\$95.00	\$285.00			\$285.00
6 Months	\$95.00	\$570.00	10.00%	\$57.00	\$513.00
12 Months	\$95.00	\$1,140.00	20.00%	\$228.00	\$912.00
24 Months	\$95.00	\$2,280.00	40.00%	\$912.00	\$1,368.00

Important Conditions:

The Reseller Subscription may only be used for sales supplied in conjunction with other products or services you supply to the customer. It may only be used for customers whom you supply directly (you may not supply through other resellers). The total amount you charge the customer for all your products or services including the software must be more than the RRP of the software (the software alone can be less or even included free). You may not simply sell software registrations on the internet under this Reseller Subscription.

You can sell licences to your customers for any price or on any basis (eg. monthly fees) or even free so long as the customer is located in your territory, deals with you directly and you charge more for other services. You can use the NCH Software Recommended Retail Prices as a guide.

Payment Terms:

Payments must be for a minimum of 3 months. Discounts apply for payment 6 months in advance (10%), 12 months in advance (20%) or 2 years in advance (40%).

Other Terms:

In all circumstances we reserve the right to maintain copyright notices on the software. Unless otherwise specifically agreed, our logo splash screen and contact details might also appear on the software.
